

How can I be saved?

Romans 10:9-10,13 says anyone who calls on God to save them through faith in his risen son can have eternal life.

Do you believe Jesus is the son of God?

Do you believe God Raised him from the dead? Are you sorry for your sins?

Call on God now and tell him that!

Ask him to save you and *forgive you* of your sins.

He promises that he will.

FIRST STEPS

Tell other's what Jesus has done for you!

Read Your Bible!

A good place to start is the book of John
Commit to reading a few chapters daily
always picking up today
where you left off yesterday.

Talk to the Lord Daily

It doesn't matter if you pray silently or out loud He can hear you either way.

Meet Regularly

with other Bible believing Christians.

HEBREWS 10:25

Be Baptized

according to our Lord's command in:

MATTHEW 28:19/ ACTS 2:38

Temptations come to Christians and non-Christians alike. The choice facing you now is... will you deal with them your way or God's way?

2 PETER 1:4-11 instructs all believers to *add* certain things to their faith. If these things are added, we are assured that we will be fruitful in the knowledge of God and will *never* fall.

What a promise!

Once I Couldn't Speak

Now I speak of
Jesus
Testimony of L. Ross
"Ross"

I was raised in a Christian home and attended church regularly - then at age thirteen I rebelled and left home.

I have since returned and made amends to my family, but at that time the values I had been raised with changed.

I started drinking alcohol and smoking cigarettes (I worked my way up to 4 packs a day), and I began working as many hours as possible in order to obtain material wealth.

At 39 years of age, I was working seven days a week, eighteen hours a day far away from home.

One morning I left for work with a terrific headache. It became so severe I thought I was dying, but then it seemed to ease off.

A co-worker looked in on me, asked me what was wrong - then immediately informed me I was going to the hospital.

I remember getting into the ambulance before slipping into a coma - then waking up... *three weeks later*.

While I was in the coma, I found myself moving in a tunnel of light toward the brightest light I've ever seen.

As I was moving toward the light, I felt Jesus returning me to my physical body. I knew he was giving me another opportunity to know and serve him.

When I came out of the coma I couldn't speak, but I was praising God within my spirit, because I knew he had touched me.

I was blessed that my wife and sons traveled many miles to be by my side praying for me continuously.

Marvin Stone, my cousin-in-law, came to visit and prayed for me to remain steadfast in my relationship to the Lord. Many others prayed for me as well - friends like Danny Powell and my old supervisor Pete Henry and his wife.

During this difficult time, I had suffered two strokes and underwent brain surgery. I spent several months in the intensive care unit.

I was finally released, but while I had come out of the coma praising God and knowing I had undergone a life changing experience, it was approximately *three years* before I could speak again.

Initially, my words were difficult for others to understand, but I was eventually able to speak clearly.

Then and today, I continue to believe in Jesus, as my savior, who died for me and rose again in victory.

Jesus has also given *me* victory over death - both physically and spiritually. And I proudly confess with my mouth that Jesus is Lord of my life.

Everything hasn't been easy since I accepted Jesus, but he has walked with me every step of the way.

I thank God that He has allowed me to share my testimony both verbally and now with this written tract.

Once I couldn't speak for three years.

Today I speak of the victory I have through
